

[Top Ten Franchise Opportunities for \\$20,000](#)

Franchises are among the fastest growing business opportunities available. Once the purview only of those who could afford to invest many, many thousands of dollars - often as many as several hundred of thousands - franchise opportunities now exist that will fit almost any budget.

If you are looking to buy a franchise that carries a low price tag but can yield high profits, you've come to the right place. Here are ten top franchise opportunities that can be yours for right around \$20,000!

GLOBAL BROKER SYSTEMS

You don't have to be on Wall Street to earn a Wall Street-level income. Global Broker Systems offers the opportunity to do just this by offering commercial loans to businesses.

With national name recognition, Global provides you with training and support so you are equipped to handle financial issues ranging from debt restructuring and business acquisition financing to accounts receivable and lease financing.

With a total capital investment of \$19,950, you could be well on your way to a successful entrepreneurial career in finance.

FAST-TEKS ON-SITE COMPUTER SERVICES

This unique opportunity places you directly in the manager's seat. As a Fast-Teks franchisee, you do not repair or service any computers directly. Rather, you manage a team of trained technicians who travel to client sites to perform all repair and maintenance work.

The total capital investment is just \$19,500, with an additional requirement of \$6,000 to \$10,000 for start-up expenses and advertising.

In return, you gain the benefit of working for yourself in a multi-multi-billion dollar industry. No computer experience is required, so check out Fast-Teks today.

BLUE COAST FINANCIAL GROUP

With a motto of "Bring Wall Street to Main Street," this franchise opportunity allows entrepreneurs to become Blue Coast Advisors who offer "second opinion financial services" to businesses and corporations.

No financial experience? No problem! The parent company's support staff of expert analysts provide you with all of the information you need to give the best and most accurate advice and guidance to your clients.

Additionally, Blue Coast offers service-provision options that make your services even more appealing to potential clients. Carrying a total capital investment of \$19,995, this business franchise opportunity truly does make Wall Street Main Street-accessible.

J. BRANDT COMMUNICATIONS

No one likes to be on-hold, but the fact is that people today will spend a significant amount of time on-hold waiting for information, assistance, or conducting business. The good news is that, as a J. Brandt Communications dealer, you can capitalize on this by marketing Music and Messaging On-Hold (MOH) services to companies and corporations.

The benefit to your clients is that they gain an additional opportunity to market their products and services; the benefit to you is that you can establish a source of recurring income for today and for your future.

The start-up cost capital investment cost for this exciting opportunity is \$20,000.

GUARD-A-KID - CHILD ID SYSTEMS

Oftentimes, people look into starting their own business so they can spend more time with their families and create a future for them. This franchise

opportunity allows you to do exactly this while protecting your family in the process.

Guard-A-Kid is a child safety ID kit that provides parents with wallet-size and file-size printed IDs as well as a CDROM containing their child's information. Because the information is in digital format, it can easily be sent to law enforcement personnel in the case of an emergency.

In addition to this basic package, Guard-A-Kid offers parents the option of purchasing additional safety accessories, including wearable IDs, Internet safety software, and more.

The capital investment cost is \$19,900, and you can choose to operate your business either from the comfort of your own home or through a Guard-A-Kid kiosk.

CTI - CONCRETE TECHNOLOGY

Concrete isn't just for sidewalks. Through CTI, you can become a business owner in the field of concrete restoration and beautification. Even if you've never worked with concrete before, you can succeed as a CTI dealer by benefiting from the company's comprehensive training program and round-the-clock technical support.

CTI operates in the United States and in 22 countries around the world, and you can become a part of this exciting and growing market for just \$19,500.

AMERICAN BUSINESS ADVANTAGE

With interest rates on the rise, more and more homeowners are finding they are unable to meet their mortgage payments, and, as a result, foreclosure looms on the horizon.

You can help homeowners avoid taking this difficult step by becoming a Certified Foreclosure Consultant (CFC) through American Business Advantage. Whether you want to work full-time or part-time, from an office or from the comfort of your own home, American Business Advantage allows you the freedom to choose.

You will receive training and complete support in this business venture for a total capital investment of \$19,995.

CRUISE PLANNERS FRANCHISING LLC/AMERICAN EXPRESS

For the past several years, this award-winning franchise opportunity has consistently been ranked #1 in its category by Entrepreneur Magazine. And it isn't hard to see why.

With a price tag of just \$9,995-\$19,950, franchisees can capitalize on the growth and success of the cruising industry.

Cruise Planners Franchising LLC/American Express offers top commission levels, the latest in technology, training and support, and unique industry programs and benefits, among other things. If this exciting opportunity sounds like it could be for you, cruise over to the above website for more information.

INFINITE MARKETING

Every business needs marketing collateral, so why not go into the business of providing marketing collateral to businesses?

For a total capital investment of just \$14,900, you can become the owner of your own Video Business Card Distributorship. Video Business Cards (VBC) are the new wave of business promotions, and they include personal messages from the business professionals as well as printable marketing materials and e-mail and website links.

Small businesses want to stand out among their competition, and VBCs allow them to do just this. As a VBC business owner, you can earn an income while helping other small businesses succeed at the same time.

DVDNOW KIOSKS

Today's society is all about convenience. People want to accomplish more in less time. And DVDNow Kiosks allows them to do just that by providing automated DVD rental kiosks so renters can pick up a Friday-night movie without ever stopping at the video-store.

DVDNow Kiosks can be found in grocery stores, convenience stores, office buildings, or any location prone to high foot-traffic. As a DVDNow Kiosks distributor, you earn income every time someone rents a DVD from one of your kiosks. This means that your earning potential continues even when you are not actively working.

This industry is set for an exponential explosion, and for a start up capital of \$20,000, you can secure a piece of this pie.

As you can see, low-cost franchise opportunities exist in a variety of industries. Whatever your budget and your area of interest, it is almost a sure thing that there is a franchise that's perfect for you. So what are you waiting for? Start building your future today with one of these top franchise opportunities.
