

[Zrii-The Perfect Million Dollar Business!](#)

Ok yeah so I did it. I took the plunge. And because of it, we're buying a home. In 2008.

Zrii...great business, AWESOME leadership. But my words fail me.

Zrii, a company which has created a product based on a traditional Ayurvedic herb, promises to be a powerful force in the health and wellness and network marketing industries.

Zrii is run by Bill Farley, who has been a successful entrepreneur for many years. He has been owner or part owner in companies as diverse as Anaheim Citrus Products, Fruit of the Loom and the Chicago White Sox.

Zrii, which only went into pre-launch July 16, is already causing a stir. Both the internet marketing and network marketing communities, as well as proponents of natural and alternative healing, are looking forward to its arrival. It is rare that a network marketing company is started by someone with a reputation like Bill Farley. Zrii officially launches in October.

Oh YEAH...I Forgot to say that this AMAZING BUSINESS OPPORTUNITY is 100% FREE until October. Duh.

Before you do anything else, please go see the amazing Zrii movie. Go ahead. I'll wait.

This is NOT another "me-too" mangosteen drink. (biting my tongue as I type) Zrii is completely unique and formulated according to ancient ayurvedic principles that have now been validated by modern science.

The Chopra Center for Wellbeing wholeheartedly endorses Zrii, The Original Amalaki. This is HUGE!

The business opportunity is just as amazing...

...The chance to get in at the very top.

...The flexible high-paying comp plan

...The great leadership of financier Bill Farley

...The FANTASTIC tools and support

...I knew Zrii was something special as soon as I heard about it, and the overwhelming response I'm getting has proved it!

Here are the basic facts about the Zrii product and million dollar business:

The Zrii product is a juice endorsed by the Chopra Institute and formulated according to the teachings of Ayurvedic (traditional Indian) medicine. The Zrii Compensation plan is a unilevel with placement flexibility to encourage team building and provide spillover.

NO SPONSORING is required to earn! There are big fast start bonuses and matching bonuses.

Free websites and marketing systems will be provided to you by our team of top leaders. A premium, state-of-the-art marketing system is also available.

It is a significant challenge to successfully develop a ground breaking synergistic nutritional supplement blend with efficacy and potency -Zrii Has Risen To The Occasion. In the world of whole food dietary supplements manufacturing, there is no other nutritional company that has formulated a comprehensive amalaki based product juice that is both delicious and widely accepted in the international marketplace.

The building team members include PhD doctors in nutritional science and natural chemistry, along with physicians in the Ayurvedic field and doctors of standard allopathic medicine. After working together for several months on the perfect clinical formulation this team of career professionals emerged with the right Zrii Amalaki Juice formulation with six well known main ingredients that were already historically implemented in ayurvedic healing therapy.

Using the most standard Ayurvedic formula used for centuries all over the world the medicinal botanicals of tulse, tumeric, and amalaki were added together in a synergistic blend solution which is also designed to have more global market appeal and simplicity of use versus the raw fruit formula.

Adaptogenic Herb Properties & Benefits:

It is generally recognized that adaptogenic herb ingredients such as jujube tree fruit and shizandra berry have beneficial uses in any well balanced personalized wellness program. The Zrii powerful food amalaki combination was created bringing together the valuable base knowledge of traditional Chinese Medicine and Indian medicine to promote a desired homeostasis condition.

Adaptogenic herb properties of certain fruits are utilized to relieve stress delivering a normalizing influence before prolonged exposure becomes detrimental to the body. Adaptogenic characteristics are related to the body's inherent ability to handle stress by boosting the adrenal glands for increased potential storage in utilizing natural dopamine, epinephrine, and norepinephrine. The ingredient haritaki has common applications in Ayurvedic treatment for potential digestion system support.

In addition this formula contains true natural vitamin C found in amalaki to defend in free radical scavenging; plus revitalization Rasayana herbs for restorative effects; along with intercellular communication support due to jujube fruit.

Zrii Ingredients include some of the most universally accepted and widely used Natural Health Botanicals and natural healing plants of any functional health beverage on the world market including the ingredients of: Jujube, Schizandra, Turmeric, Tulsi, Haritaki, Ginger and of course Amla.

What Does the Word "Zrii" Mean?

Zrii in Sanskrit language means human prosperity, better fortune, magnificence, luster and all true prosperity and wealth creation. The word also has great importance in reference to the goddess of contemporary Hindu culture and auspiciousness. The Charaka Samhita states a splendid connection of beauty in this sacred writing in ayurvedic medicine of India referring to the amalaki as the primary centerpiece used by the Goddess in their India culture.

As the story goes a person can regain their youth and beauty depending upon how many amalaki fruits one consumes and one can hope for improvements in the areas of persuasive speech and overall greater words of wisdom. For our case we are now witnessing:
