Congratulations! You have just come across something that has the power to change your life for the better, forever. Hi I'm Todd Schuyler and I'm excited to tell you about the GDI home business opportunity that will change your life. Your income potential with this company is astronomical.

Global Domains International, Inc. is the worldwide domain name registry for all .ws (Dot WS) domain names. Our product is an incredible \$10 per month package that includes your own domain name, hosting accounts, and up to ten email accounts, plus an easy-to-use online web site builder that will allow you to get a professional looking web site on the web as quickly as possible. And the best thing is, you can try out everything we have to offer, for free today! We offer a week-long free trial of our entire package, no strings attached.

The domain industry is totally exploding! Industry experts predict that over 500 Million domains will be active annually within the next ten years. GDI has no competition in the network marketing industry. We are the only company that has the ability to market our domain names through the power of network marketing, and we're willing to pay you handsomely for helping us get the word out worldwide. There are no geographical or income limits with Global Domains International.

Take a moment to watch our exciting, brief presentation, you already know this. If you haven't, then click here <http://website.ws/toddschuyler> and "Get Ready for the Ride of Your Life!".

5-Level Uni-Level Compensation plan. This is our standard compensation plan that ALL affiliates qualify for, even those who are still in their free trial period. Basically, you are paid \$1 per month, per domain, that is registered in your 5 level network. A uni-level compensation plan is the most simple plan in network marketing, and the key to our quick growth.

You are not limited by width at all. You can refer as many people as you want to, and so can those people that you refer, and so on. Here's an example. You refer 5 people to our product/program. That pays you \$5 per month. No big deal? Hang on, you'll see the power of this. Each of those 5 people then refer 5 of their own, so you're now getting paid an additional \$25 per month on your "second level". Each of those 25 can refer as many as they want, but for consistency we'll say that they too refer 5 each. That's \$125 in monthly commissions on your 3rd level. If the trend continues, you'll have \$625 in monthly commissions on your 4th level, and \$3,125 in monthly commissions on your 5th level.

That's a total of over \$3,900 in monthly commissions for referring 5 people, and then teaching those people how to do the same and assisting them in growing their own organizations. Keep in mind that nobody is limited in how many people they can refer. Some of our affiliates personally refer hundreds of other affiliates. Just a couple of these "go-getters" in your organization can really blow your income off the top of the charts.

Earn an UNLIMITED Number of \$100 Bonuses Each Week By Simply Referring FIVE New Confirmed Affiliates in a 7-day Contest Period. You read that correctly! For every 5 paid affiliates you refer in a one week period, you'll earn a \$100 cash bonus. There is no limit! Refer 25 new paid affiliates in one week and you'll earn a total of \$500!

The Free GDI Business Opportunity has helped alot of people worldwide earn income for life. This company has been around for several years. I highly recommend GDI.
